LEAVE YOUR MARK: CREATE A LEGACY THROUGH PLANNED GIVING PRESENTED BY BARBARA CANE ESQ., CANE & BONIFACE

Whatever your stage in life, it is a good idea to plan how you want to handle your affairs in the future. Even if you have already made plans, it is always good to review them from time to time.

TUESDAY, OCTOBER 3, 2017

Noon - 2 pm at the Newark Museum, 49 Washington Street, Newark, NJ

Enjoy complimentary lunch, learn about estate planning strategies, and get your questions answered.

We have invited **Barbara H. Cane**, estate lawyer and Partner at Cane & Boniface, P.C. to address common issues and answer your questions on estate planning:

Am I on the same page with my attorney or advisor?

How do I choose an executor or trustee?

How can I keep assets out of probate?

How do I make the most of federal and state tax laws?

How can I arrange beneficiary designations for loved ones and causes important to me?

Does my plan help me expect the unexpected?
